

The Classica Aluminium railings will add class and elegance to your home. They are the ideal finishing touch to your sundeck, porch, balcony, walkway or stairs. Whether you are building a new home or improving your current one, Imperial Kool-Ray Classica is the affordable high quality railing that will fit your needs.

Aluminium railings are sturdier than wood or vinyl and will keep its finish over the years. That's why we back our products with a 20-year warranty on material, 5 years on the paint finish and 2 years on plastic components.

Imperial Kool-Ray Aluminium railings meet Canadian building codes. They are made with high quality extruded aluminium and aluminum cast fittings with no weld.

With our easy-to-follow instructions, any Do-It-Yourselfer can install the Classica railing.
